

## PRODUCT DATASHEET

### LED VALUE CLASS A 8 W/6500 K E27 GEN4

LED VALUE CLASSIC A | LED lamps, classic bulb shape

#### Areas of application

- Domestic applications
- General illumination
- Outdoor applications only in suitable luminaires

#### Product benefits

- No "Blue Light" Hazard (according to IEC62778)
- Photobiological safety according to IEC 62778, risk group RG0
- Energy savings of up to 85 % (compared to traditional incandescent lamps)
- Instant 100 % light, no warm-up time
- No UV and near-IR radiation in the light beam
- Reliable operation thanks to brand quality

#### Product features

- Color rendering index  $R_a$ :  $\geq 80$
- Not dimmable
- Mercury-free lamps

## TECHNICAL DATA

### Electrical data

|                      |             |
|----------------------|-------------|
| Nominal wattage      | 8 W         |
| Construction wattage | 8.00 W      |
| Nominal voltage      | 220...240 V |
| Nominal current      | 62 mA       |
| Type of current      | AC          |
| Operating frequency  | 50...60 Hz  |
| Mains frequency      | 50...60 Hz  |

### Photometrical data

|                           |          |
|---------------------------|----------|
| Luminous flux             | 806 lm   |
| Luminous efficacy         | 100 lm/W |
| Light color (designation) | Daylight |
| Color temperature         | 6500 K   |
| Color rendering index Ra  | 80       |
| Light color               | 865      |

### Light technical data

|            |       |
|------------|-------|
| Beam angle | 180 ° |
|------------|-------|

### Dimensions & Weight

|                |           |
|----------------|-----------|
| Overall length | 105.00 mm |
| Diameter       | 59.00 mm  |
| Product weight | 20.00 g   |

### Temperatures & operating conditions

|                           |              |
|---------------------------|--------------|
| Ambient temperature range | -20...+40 °C |
|---------------------------|--------------|

### Additional product data

|                             |                                                                                                                                                                                                                                                                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Base (standard designation) | E27                                                                                                                                                                                                                                                                                                                                          |
| Mercury-free                | Yes                                                                                                                                                                                                                                                                                                                                          |
| Product remark              | All technical parameters apply to the entire lamp / Due to the complex production process for light-emitting diodes, the typical values shown for the technical LED parameters are purely statistical values that do not necessarily match the actual technical parameters of each individual product, which can vary from the typical value |

## Certificates &amp; Standards

|                                              |      |
|----------------------------------------------|------|
| Type of protection                           | IP20 |
| Photobiological safety group acc. to EN62778 | RG0  |

## Country-specific categorizations

|                 |                |
|-----------------|----------------|
| Order reference | LVCLA60 8W/865 |
|-----------------|----------------|

## Energy labelling regulation data acc EU 2019/2015

|                                                     |           |
|-----------------------------------------------------|-----------|
| Light source cap-type (or other electric interface) | E27       |
| Length                                              | 105.00 mm |
| Height                                              | 59.00 mm  |
| Width                                               | 59.00 mm  |
| EPREL ID                                            | 1403225   |
| Model number                                        | AC24710   |

## DOWNLOAD DATA

| Photometric and lighting design files                                              |                | Document name              |
|------------------------------------------------------------------------------------|----------------|----------------------------|
|  | IES file (IES) | LED VALUE CLA60 8.5W 6500K |

## LOGISTICAL DATA

| Product code  | Packaging unit (Pieces/Unit) | Dimensions (length x width x height) | Gross weight | Volume               |
|---------------|------------------------------|--------------------------------------|--------------|----------------------|
| 4058075282827 | Folding box<br>1             | 64 mm x 64 mm x 131 mm               | 55.00 g      | 0.54 dm <sup>3</sup> |
| 4058075282834 | Shipping box<br>10           | 332 mm x 138 mm x 147 mm             | 704.00 g     | 6.73 dm <sup>3</sup> |
